

PRACTICE

PURPOSE

The purpose of this policy is to outline the process used by Carstairs Minor Hockey Association to manage practices during the year

PRACTICE

1. Players are required to practice with own team
2. Affiliation process may be part of players on ice (Pre-hockey and Tyke groups are not part of the affiliation process)
3. Player's two levels down or more are not to be on the ice (ex. Novice A cannot practice with Atom B, thus surpassing Atom C team)
4. Only carded coaches and players are allowed on ice at any time and these individuals must be with the team they are carded with
5. CMHA will only pay for the 2 regular scheduled practice times each week for each team in Tyke, Novice and Atom. If a team wishes to schedule additional practice time they will be responsible for all costs
6. If your regular scheduled practice has been cancelled for any reason (weather, provincial game, playoff game, etc.) you will not be given a rescheduled or make up practice at a later date
