## 2024/25 Evaluation Information

Happy Saturday! Conditioning camp has now concluded. I know that our on-ice coaches from these last two weeks are fully conditioned and we hope your player is as well. A special thank you to all of those coaches for dedicating hours of their time to working us through that conditioning portion of our process.

Next week we transition to evaluations. I would ask that you review this information in detail to make sure that you have a good understanding of the process and any requirements of you or your player over the next week.

A couple of important notes for you:

- 1) You will need to arrive early to check-in and receive an evaluation jersey. **This evaluation jersey needs to be worn by the player and returned at the end of Tuesday's session.** Volunteer cheques will be accepted at check-in as well.
- 2) On-ice assistants will not be coaching any players while on the ice out of fairness and equity for all players.
- 3) Due to time constraints, there is not sufficient time for a comprehensive warmup. Please make sure your player is warmed up, stretched etc before they hit the ice.
- 4) Players that do not complete the drill correctly will be instructed to return to the line-up and will receive a zero score for that run. Players are given a total of 3 attempts on each drill.

**Please review the updated listing below as some player times may have changed. It is crucial that each player shows up during their assigned ice-slot**

A couple of important notes regarding evaluation games:

- 1) The evaluation handbook can be found here: <https://www.carstairsminorhockey.ca/wp-content/uploads/sites/1672/2024/08/Evaluation-Procedures-2024-2025.pdf>
- 2) Teams will be formed for each evaluation session and will change between sessions. These will not be communicated in advance and will only be identified during check-in.
- 3) You will need to arrive early to check-in and receive an evaluation jersey. **This evaluation jersey needs to be worn by the player and returned at the end of each session.** Volunteer cheques will be accepted at check-in as well.
- 4) In the event that the Evaluation Committee determines that players are not required to play in subsequent evaluation games, the Committee will contact those players directly. Please do not contact us to ask if your player should be arriving. The expectation is that all players should expect to play all evaluation games.
- 5) **Please do not contact or sit near any evaluators (on the penalty box side). Every member of the Association has a desire for a transparent and efficient evaluation process and you can do your part in ensuring that by allowing these folks to spend all their efforts to evaluating the players on the ice.**
- 6) Evaluation Games may not last the entire duration of the ice time. The Evaluation Committee may adjust the playing time if the evaluators have received all of the necessary data to inform their inputs.

## **Volunteer Opportunities – Evaluations**

There is one spot that needs to be filled for our evaluation week which can be signed up for here: <https://signup.com/client/invitation2/secure/1003608684050/false#/invitation>

## **Team Announcements**

We are aiming for team announcements to be released in the vicinity of 8:00 pm on Sunday September 22<sup>nd</sup>. These announcements will be posted on our website and I will endeavor to send a communication once they are released. This is an aggressive timeline considering players are not off the ice until 5:30 pm, so please be patient as we endeavor to ensure that this is done accurately.

Finally, I know that the evaluation process is a stressful, emotional and, at times, frustrating week for players and parents. The Board of Directors completely understands this and has endeavored to communicate, create policy and direction, and establish a process that we are proud to stand behind. Trust me, it is our least favorite three weeks of the entire year. Please understand that there are inevitably going to be players that are happy, and ones that are disappointed. Regardless of your players placement, we hope that they have a fun and memorable year making new friends and playing a sport that they love. For those that have questions throughout the week, please reach out and ask them, we will do our best to keep you informed whenever we can.

We ask that no matter the result, that you respect our evaluation complaint policy which states the following:

- 1.19 Any complaints surrounding the final rankings shall be directed to the Player Development Coordinator between twenty four (24) and forty eight (48) hours following the announcement of results. Any complaints filed before or after this period will not be entertained. The CMHA Board shall have the final determination of evaluation rankings.

As always, if you have any questions on the above, please reach out to myself or a board member that will be happy to assist. We will continue to update you as more information becomes available.

Have a great weekend,
