## Final Team Placements

Thank you for your patience as we worked to compile the final evaluation rankings and the listing of the final team placements. I would personally like to thank all of the evaluators, volunteers and Board Members that made these last three weeks a successful process.

Again, I would reiterate that we fully recognize that there will be families and players who are disappointed with their placement. The nature of evaluations is that a divide between players has to be made somewhere and quite often the top two or three players on one team can be seen interchangeable with the bottom two or three players on the next team, meaning that one shift or one skills session run can make the difference between a player's placement.

With that being said, I would also highlight one more time the Association's policy on evaluation questions or complaints:

- 1) Complaints must be filed with the Player Development Coordinator by email:  
[playerdevelopment@carstairsminorhockey.ca](mailto:playerdevelopment@carstairsminorhockey.ca)
- 2) Complaints will be accepted between 24 hours and 48 hours. For simplicity, complaints will only be received on Tuesday September 24<sup>th</sup>. No complaints will be entertained that are received prior to, or after Tuesday.

Practices will begin on Tuesday September 24<sup>th</sup> for all U7, U9 and U11 teams. Between now and then, head coaches will be selected who will then be working to select their three (3) assistant coaches and team manager. Your player will also be assigned to their respective team snap group.

Thank you again for your assistance in these past three weeks, which are all very stressful for everyone involved. I hope that regardless of where your player is placed that they have a fun season with new friends and strong hockey development.

Christofer Atchison  
President
