Team Placements

Good Evening Everyone,

After a long couple of weeks for players, parents and volunteers, we are happy to conclude our conditioning camp and evaluation process. First, I want to recognize that this process is very difficult on everyone and it is especially magnified when you're dealing with young kids. Regardless of the team that your player has made, our Association is committed to the ongoing development of every player and looks forward to watching them all progress throughout the season.

I also want to thank everyone that was instrumental in getting this process completed, but especially Shayne Mercer, Player Development Coordinator, for spending countless hours at the rink over the past few weeks to plan, organize and operate the process. A massive thank you to all of the evaluators and to our coaches for helping get the season running.

TOM ONO

As far as next steps are concerned, here is what your schedule looks like for the next 10 days:

Tuesday September 23rd – Ice time for all players. This will not be a standard practice slot as we are currently working through our coach selections and ensuring that they are carded appropriately. Stay tuned as we will announce these times tomorrow (Monday).

Thursday September 25th – Normal Practice Hours. You should be invited to Team Snap shortly for your respective team. These practices will be uploaded in there as well.

Sunday September 28th – Practice opportunity for teams in lieu of Tuesday September 30th practices.

Tuesday September 30th – No practices (Truth and Reconciliation Day)

It is our hope that all head coaches will be selected and contacted within the next 48 hours.

I respect that there may be families that are not pleased with their team placement. CMHA Policy outlines the following timeline for submission of complaints:

- Prior to September 22nd at 7:00 pm: No complaints may be submitted.
- Between September 22nd at 7:00 pm and September 23rd at 7:00 pm: Complaints may be submitted to CMHA Player Development **via email** at playerdevelopment@carstairsminorhockey.ca
- After September 23rd at 7:00 pm: No further complaints will be entertained.

I understand that emotions do run high at times, however I do ask that you respect this process as the CMHA Board will not answer any emails, phone calls or text message outside of these policy requirements.

Enjoy your night,
